Work Experience

Senior Interdisciplinary Designer

Dyson United States, August 2019 – May 2025

Support the marketing retail, category and sales teams with creating and showcasing retail design presentations to internal and external stakeholders.

Work closely with project and production managers to create design intent documents, retail prototypes and fabrication guidelines for final retail installations.

Digital Designer Mission: Digital Leap

Dyson United Kingdom, July 2017

Participated in a 5-day mission at the Dyson Malmesbury office with the UK digital team. Received training to support the launch of dynamic design needs for Dyson' new website update.

Put together training guides, references and resources for US digital web content team and digital designers.

Trained the new digital designer in the US to take over design responsibilities full time.

Graphic Designer

Dyson United States, September 2013 – August 2019

In-house designer supporting 3D, 2D, studio, digital and film needs for Dyson America's retail, events and internal design projects.

Expert in the overall Dyson brand design language as well as individual product campaign guidelines for 3rd-party retail.

Graphic Design Intern

Red Frog Events, January 2013 – May 2013

Designed for Red Frog Events in-house creative projects as well as for the company's entertainment events: Warrior Dash, Urban Warrior Dash, Great Urban Race, American Beer Classic and the Firefly Music Festival.

Developed digital banners, print ads, web page support and social media assets for all events.
